WELCOME TO **BANFF AVE BREWING CO.**

We're Banff's living room. We share Banff's real mountain lifestyle. On any given day (or night) in our brewpub you might be sitting next to a world-class snowboarder, clinking glasses with a winner of the Canadian Death Race, or chatting with a legendary rock climber who literally wrote the book on climbing. Banff Ave Brewing is a place where locals come to share the stories of their mountain experience and plan the next one.

We look forward to hosting you!
